INSTRUMENT KITS TRUMPET

Our Renaissance Trumpet is a German instrument designed to play in D at A=440. No difficult soldering is required and, indeed, only three components need assembling in this manner.

The kit comes complete with an

instruction manual which assumes no previous experience of brass instrument making and builds into a finished instrument which has been endorsed by leading players.

Send £2.50 (refundable on first order) for our latest colour catalogue.

*A new edition of the
definitive work on the subject...*

**THE MUSIC AND HISTORY
OF THE BAROQUE
TRUMPET BEFORE 1721**

Second Edition
By DON L. SMITHERS

This new edition of the definitive work on the history of the baroque trumpet in the 17th and early 18th centuries includes the latest material in the field plus hitherto unpublished sources of trumpet iconography.

Richly annotated, this work features supplementary appendixes describing surviving sources of music composed originally for the nonmechanical baroque trumpet as well as current scholarship of note. In addition, this new edition has twice as many photographs as the original printing, many reproduced here for the first time. \$50.00

Brass Bibliography

*Sources on the History,
Literature, Pedagogy,
Performance, and Acoustics
of Brass Instruments*

By Mark J. Fasman

This classified bibliography lists more than 6,000 books, journal articles, and dissertations pertaining to brass instruments. The languages surveyed are English, German, French, and Italian, with the entries divided into four main classifications: Reference and Research Materials; History and Music Literature; Pedagogy, Study, and Technique; and Acoustics and Construction. These categories are further subdivided, mainly by instrument, into 39 headings; entries that fall into more than one heading are cross-referenced. The earliest of these writings date from the late eighteenth century, and the compilation is comprehensive from 1820 to 1988. A unique reference tool offering access to resources in virtually all aspects of brass scholarship. \$37.50
